OJKUMENA

Regional researches

scientific-theoretical journal

The first issue of the journal «Ojkumena. Regional Researches» came out of print in December 2006. The editors encourage scholars from Russia and other countries to submit their manuscripts that fall within the subject of the journal. Although the journal's articles are normally published in Russian, the editors are willing to consider English-language papers for publication. If they are accepted, they will be published in Russian (their translation from English into Russian done by the authors).

The journal includes the following thematic sections:

♦ Theory and methodology of Regional Studies

♦ Historical Regional Studies

♦ Economy and nature

♦ Social and demographic structures

♦ Cultural and ideological factors of regionalization

♦ Political relations and management of the region

♦ World system and international regions

♦ Interdisciplinary and systemic research in the region

♦ Region in the documents and testimonies

♦ Study of science

♦ Discussion

♦ Reviews

♦ Scientific life

Themes of manuscripts accepted for publication in the journal «Ojkumena. Regional researches», complies with the following fields of science according to

«NOMENCLATURE OF SPECIALTIES OF SCIENTIFIC WORKERS»:

07.00.00   Historical sciences and archeology

22.00.00   Social sciences

23.00.00   Political science

All manuscripts submitted for publication will be anonymously reviewed (double-blind review). For publication in the journal the articles are taken that have not previously been published in Russian editions. The editors reserve the right to dismiss a manuscript if it does not meet the journal's requirements. Fee for publishing articles will not be charged. Fees will not be paid. The copies of the journal will not be sent to authors due to the presence of a public electronic archive.

The official site of the journal: **ojkum.ru**

E-mail: **ojkum@rambler.ru**

Author guidelines for submitting manuscripts:

1. File format – plain text, MS Word, OOo Writer, LO Writer.

2. The file should not contain complex styles and formatting.Titles should contain lowercase characters only.

3. Font name Times New Roman, font size 14, interlinage 1,5.

4. Page margins: top and bottom – 2 cm, right – 1,5 cm, left – 2,5 cm.

5. The manuscript figuration: UDC (Universal Decimal Classification), author information (first and second name, academic degree, current employment position, phone, e-mail), title of article (no more than 80 characters), the text of article, references («Literature»), abstract (from 500 to 700 characters), keywords (from 5 to 10 keywords). Title, abstract and keywords are submitted in Russian and English languages. All the above information is sent in one file. The submitted file should be named by the author surname (second name).

6. Bibliographic references in the paper should be given in square brackets. In brackets, the ordinal number of cited work in the list of literature comes first, followed by a comma and a page number. For example:**[2, p. 5]**. Reference to an unpublished archival document should be placed only in the text of the article in parentheses. For example: **(ГАПК. Ф. 1. Оп. 2. Д. 3. Л. 4-5)**; **(Рукопись Иванова А.К. Из архива автора)**.

7. Explanation of abbreviations and acronyms is required (given at the end of article). For example: **ГАПК - Государственный архив Приморского края**.

8. Numbered list of references is compiled in alphabetical order by surname of the first authors and titles of works without the coauthors and chronology. Russian language titles come first, followed by foreign language titles. The bibliographic description should include the full name of the book or article, place of publication, publisher, year, total number of pages (for the article – the pages on which it is placed). Reference to the Internet in the list of references is made as follows: **Author. The name of the material // The name of the site, [electronic resource]. URL: address line (the date of access: 31.12.2012)**.

9. Papers should be from 20 to 40 thousand characters, including spaces. The volume of other materials – no more than 12 thousand characters.

10. Drawings, maps, charts, etc. should be attached as separate files using common formats (eps, ai, jpeg, bmp, tif). For charts the author should submit the table, upon which this chart is based. For all signatures in the charts use only the font Arial Narrow. All sources of illustrations must be indicated.

11. Due to the black and white journal print, graphs, maps, etc. should not contain more than three colors (black, white, gray 50%).

12. Papers should be submitted in electronic file form. Files submitted should not be archived. E-mail: **ojkum@ rambler.ru**.
